## ALMA MATER

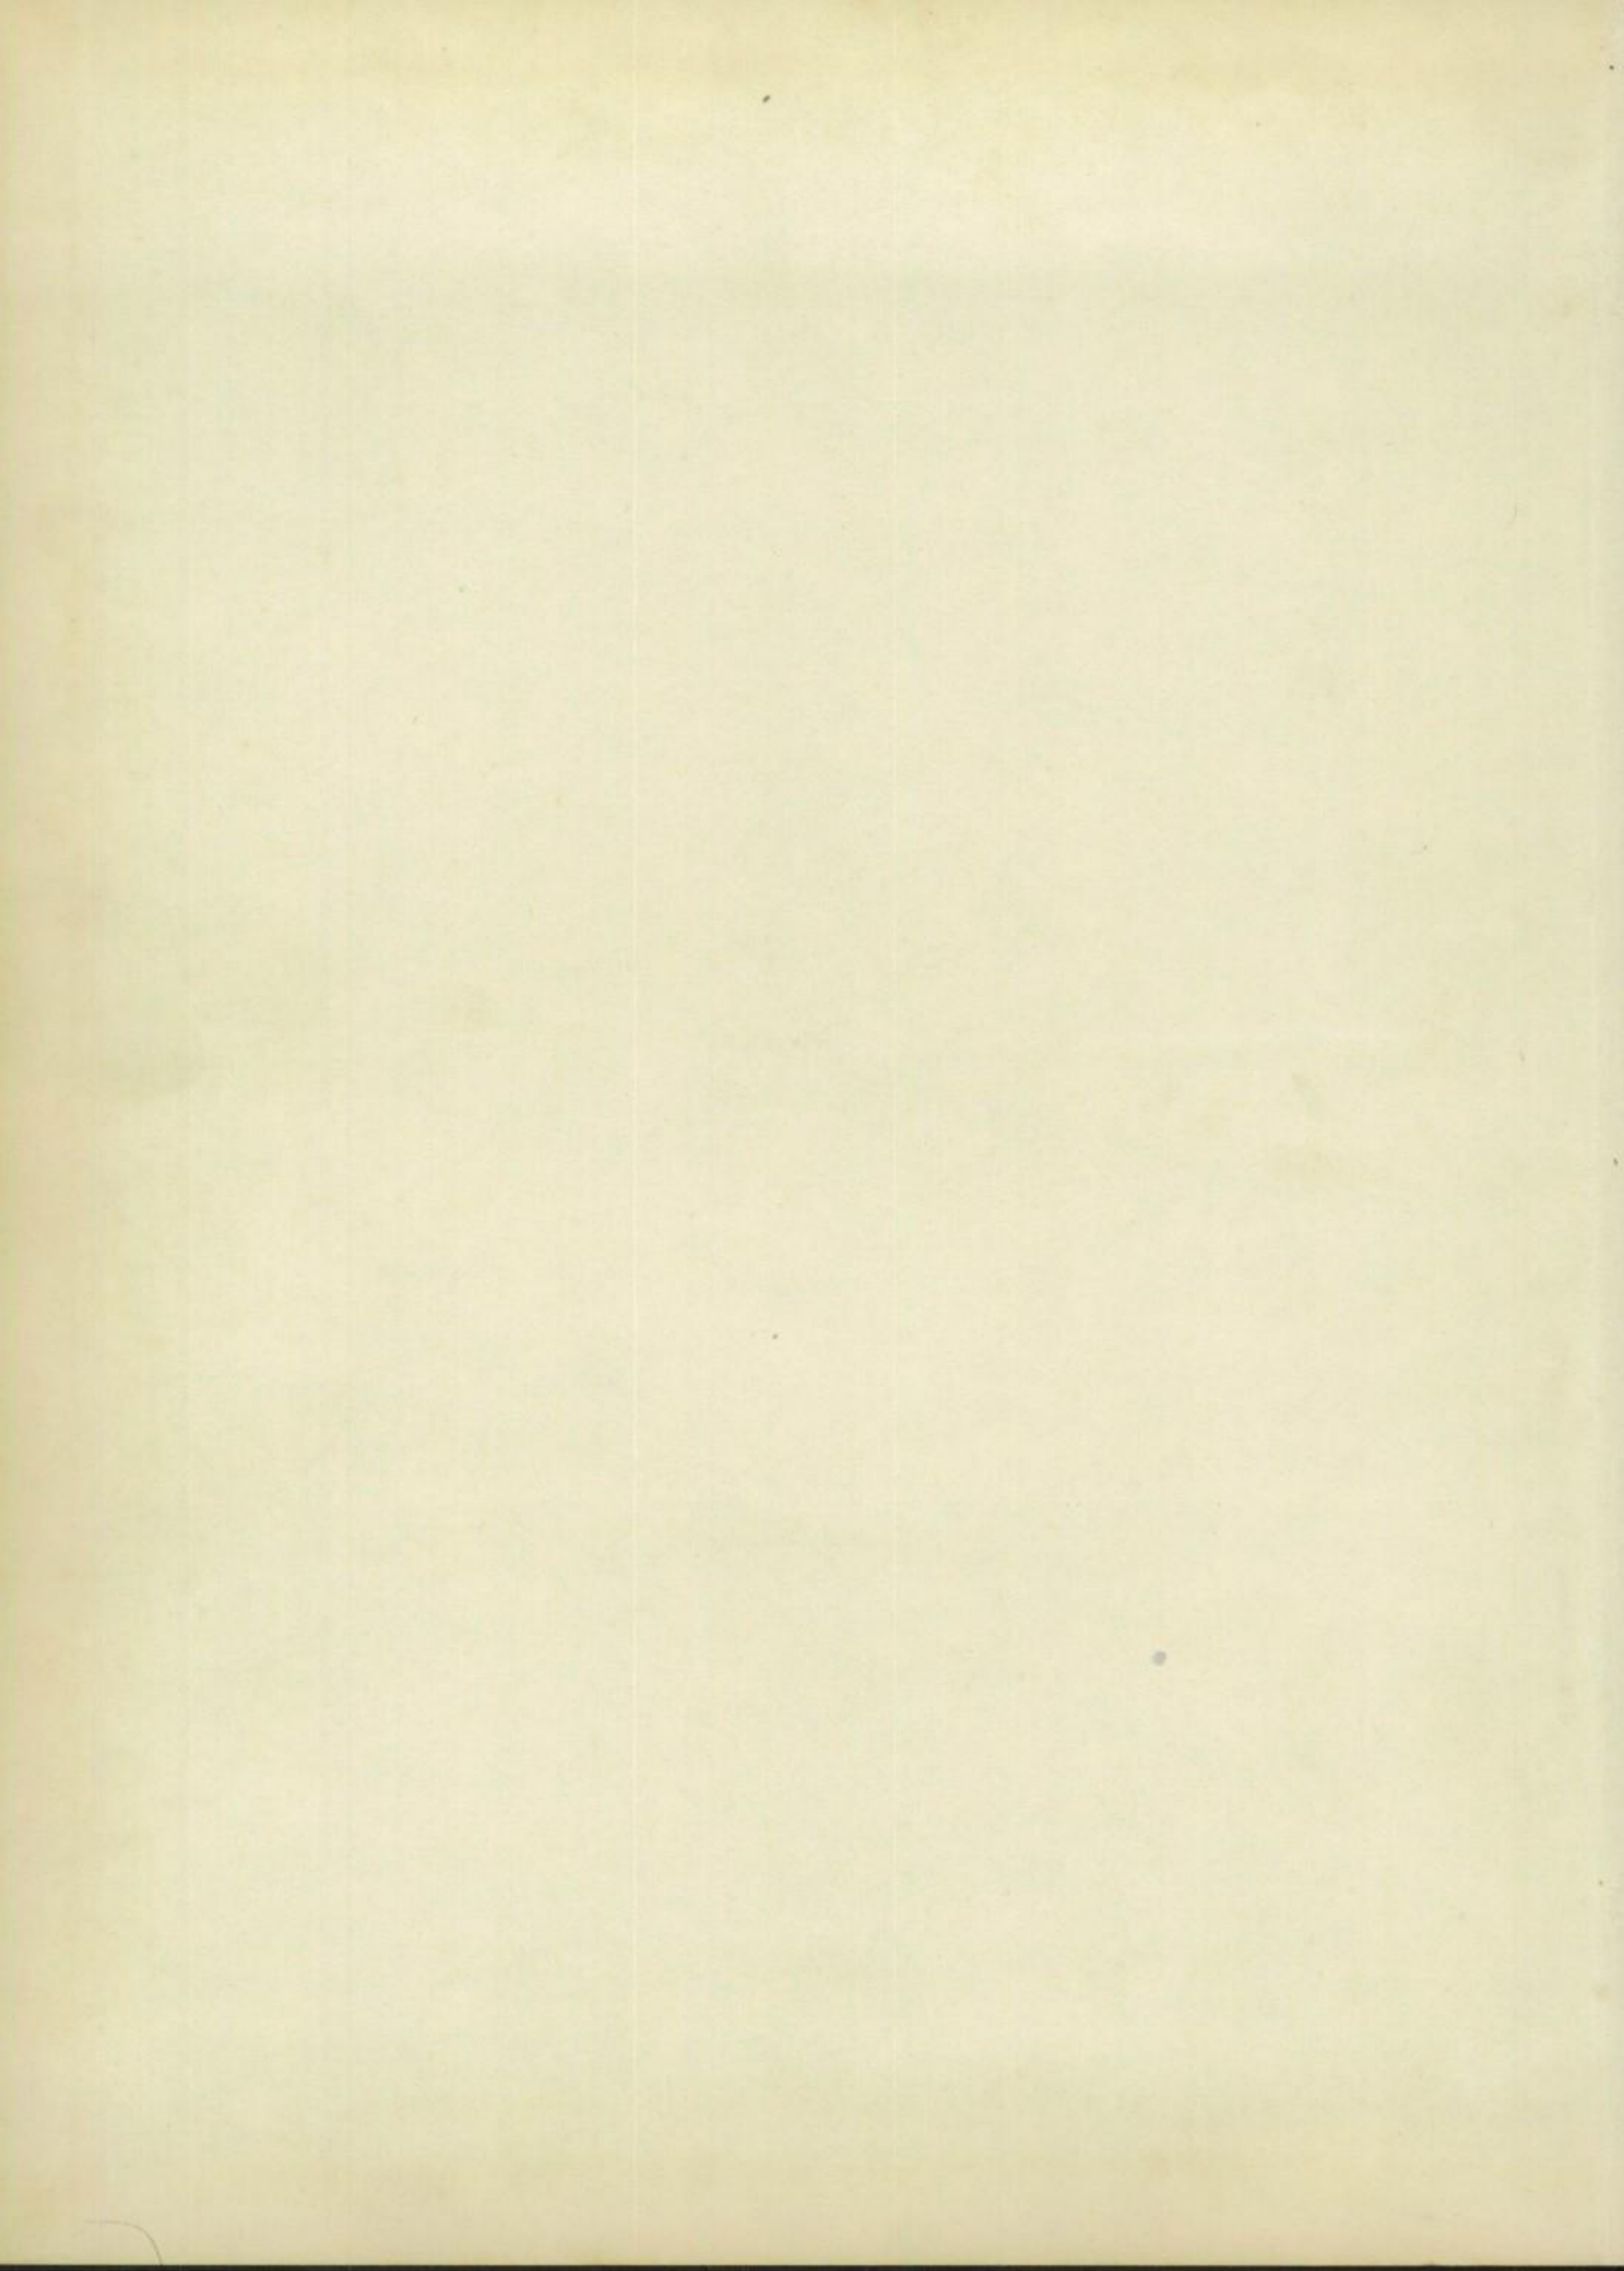

High School ties can ne'er be broken,  
They can never die;  
For surpassing wealth unspoken  
Is sealed by friendship's tie.

High School life is swiftly passing,  
Soon its sands are run.  
But while we live we'll ever cherish  
Friendships here begun.

### CHORUS

Faithful, loyal Dalton High School,  
Deep graven on each heart;  
Shall be found unwavering true,  
When we from life shall part.

Dear "Willie"  
 He's had

English is not to good.  
Nevertheless it was all  
in fun & what fun it

Between algebra and  
romance you've been  
pretty busy! (Ha!) We'll  
just have to find more,  
and more time for

Club and outside activities  
Here's til the next annual,

Love  
Harlan H.

Dear "Willie",

I have really enjoyed  
being in the same home

(riding around!)

Looking forward to this  
summer when we can go  
swimming!

Loads of Love  
Phyllis

Man's progress through the age has come as a result of dreams, aspirations, visions, and hope. The desire and ability to project their dreams into the minds and hearts of youth so that they may see bright visions and so that they may fire youth's ambition to make those dreams come true have been the cornerstones of the true community spirit. Such community spirit has built our town, Dalton.

Our school, Dalton High, is having growing pains at present but we are confident that our dreams, our visions, our hopes, and our willingness and ability to translate those dreams into reality will make D. H. S. outstanding in its service to all youth and the community.

In the pages to follow we have attempted to share our dreams of the past, the present, and the future.

We, the Dalton Hi Wildcat and Kool Kitten, chosen symbols of the Annual Staff, wish to present to our fellow students, our parents and our teachers

# THE 1954 *Catamount*

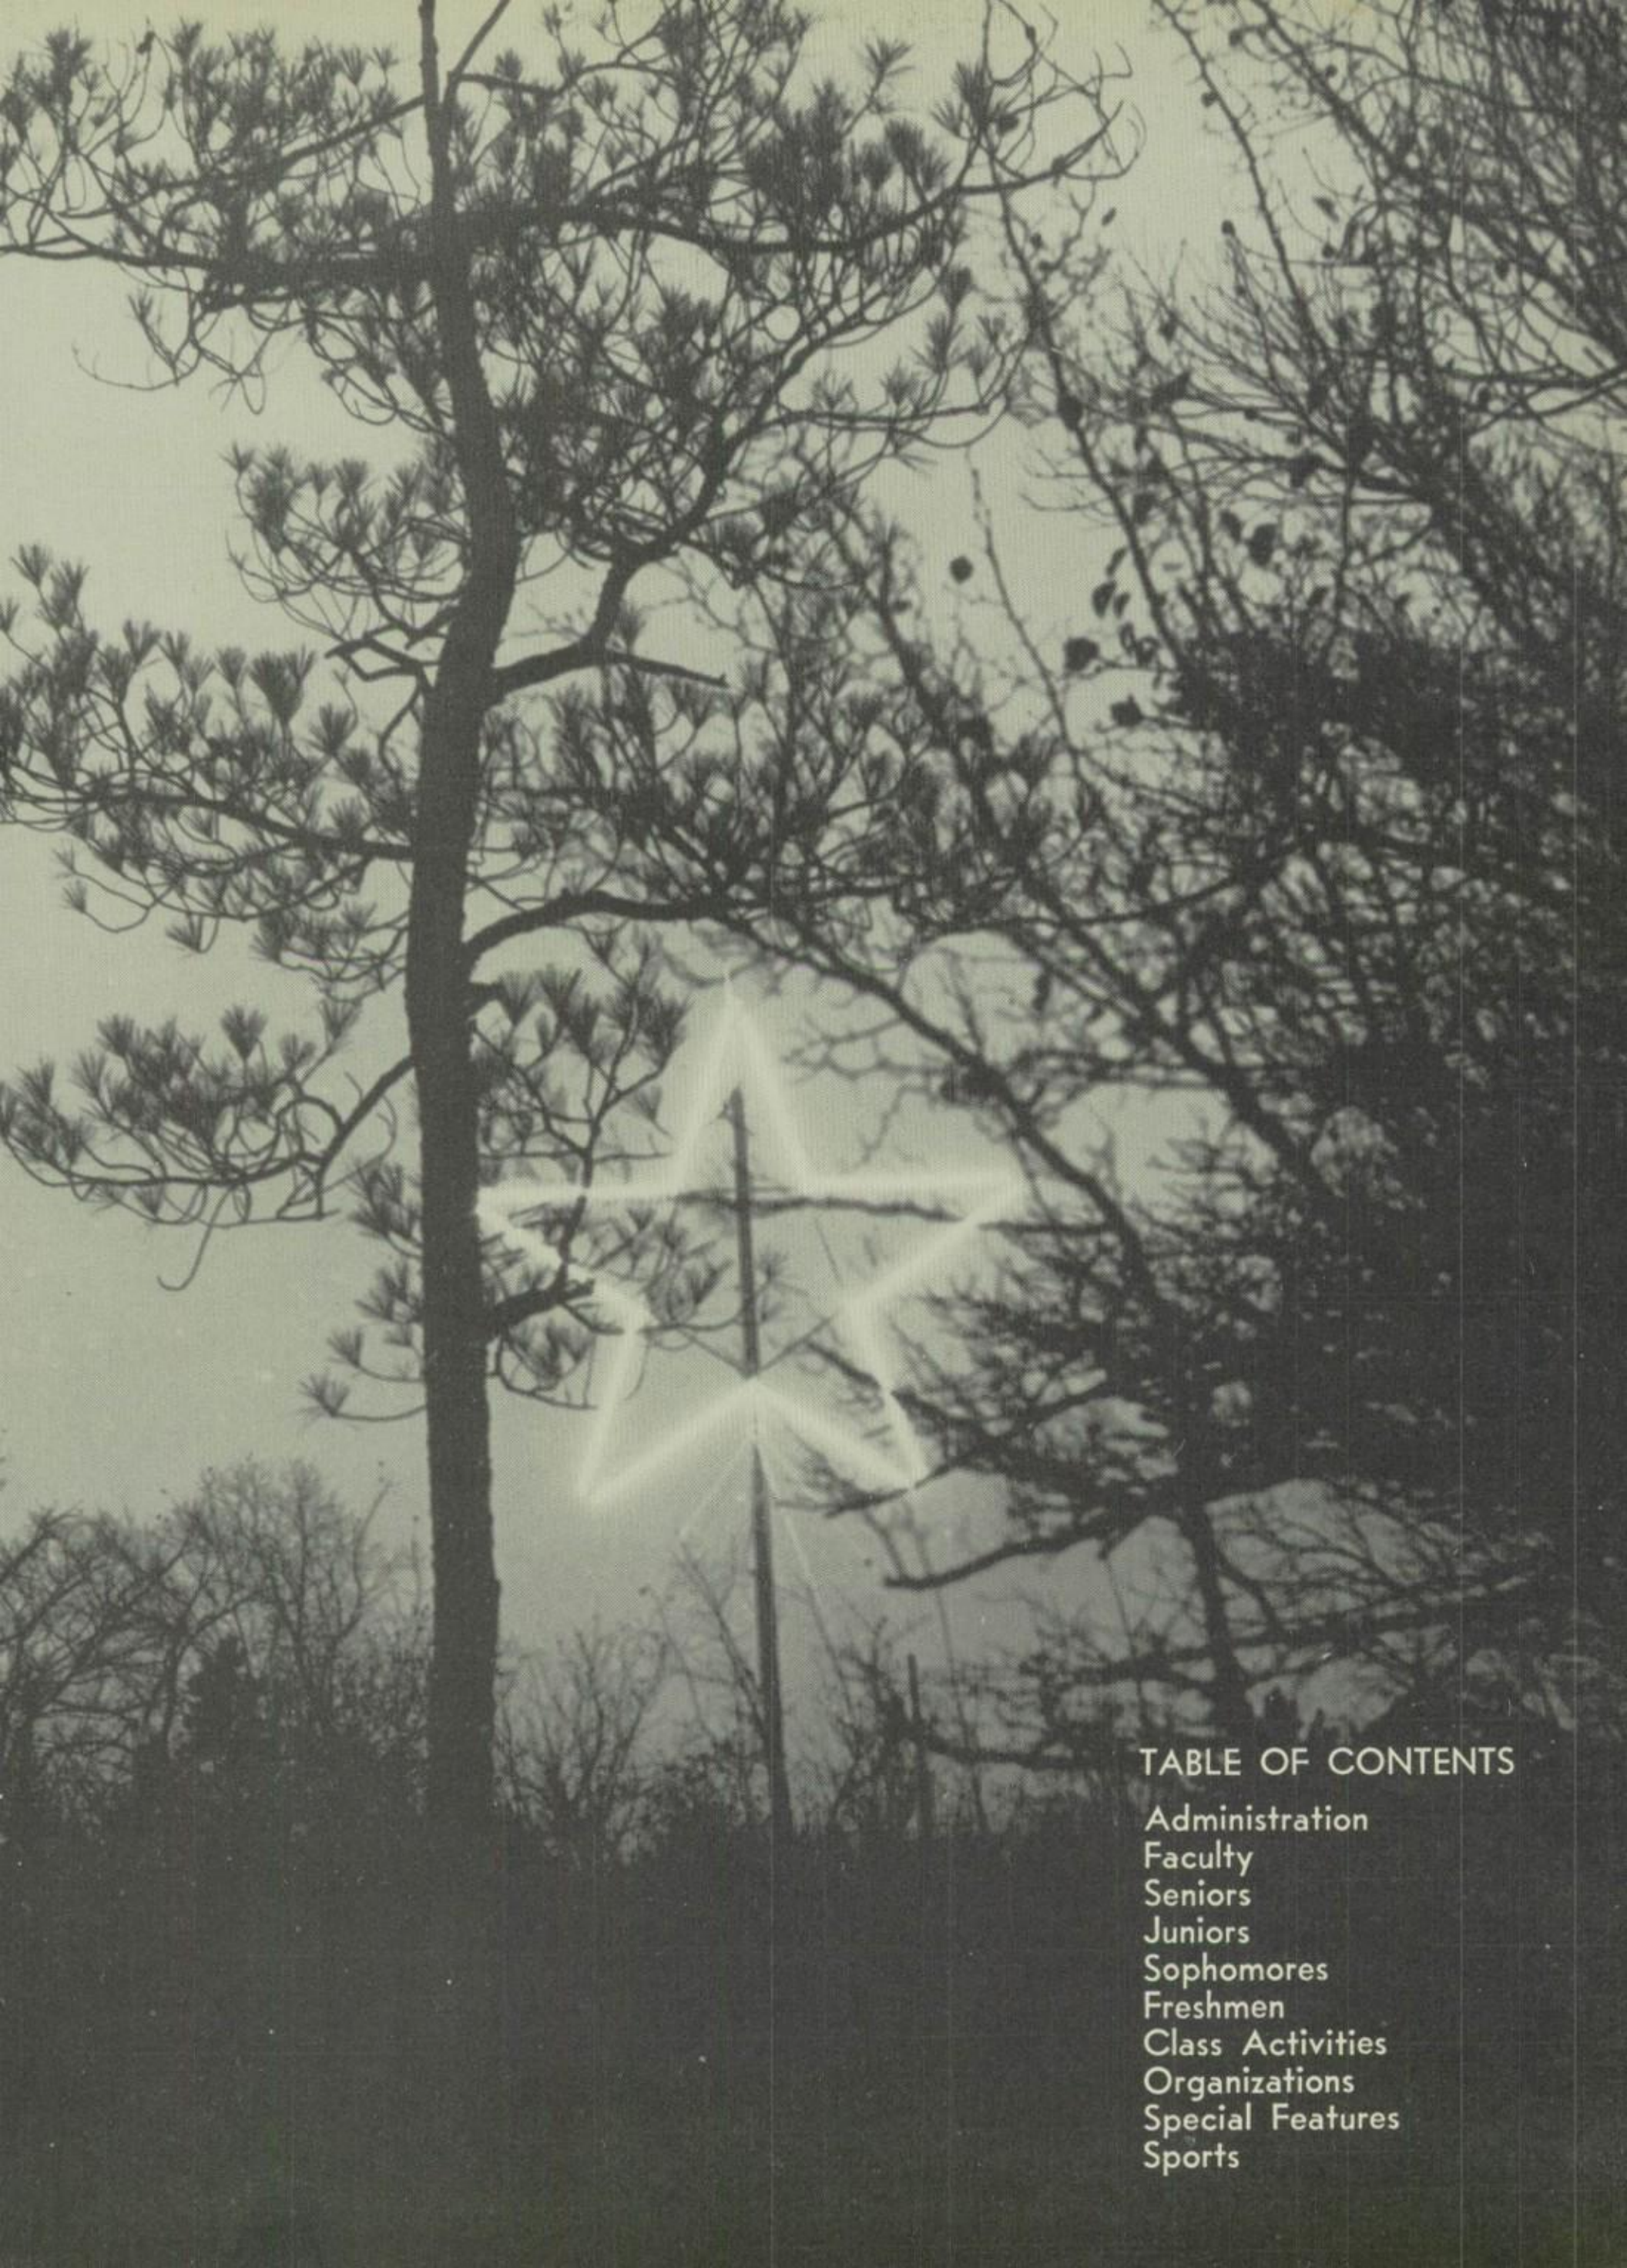

To our advisor and friend, Miss May Belle Thompson, who through her unselfish efforts has guided us to a realization of our dreams and who has always modestly refused public recognition, we do affectionately dedicate the 1954 CATAMOUNT.

The Public School System of America is recognized by authorities as one of the most important organizations shaping the destiny of this great country.

Dalton High School is a vital part of this powerful American Public School System. You are a citizen of Dalton High School and are being counted upon by your teachers, your parents, and your friends to seek the foundations of honor and character as you acquire knowledge and skills. # ADMINISTRATION

Life is a gift to each of us to be used—not hidden. When used for others, it grows better and better. When used for itself, it grows smaller. Take your gift and use it wisely and completely.

CHARLES E. BOWEN  
*Principal*

The things we want to do we do. Success comes as a result of determination and hard work. Be glad of the opportunity to work. Your measure of success and happiness will be a determining factor in keeping America a land of opportunity for free men.

MISS MAY BELLE THOMPSON  
*Personnel Director*

*Best Wishes  
May Belle Thompson*

Happiness is found in the "doing" and not the "having." Your greatest success is to say this thing was accomplished because of efforts with my hands! To serve is to live. You—be a builder.

ORVIL L. MOFFITT  
*Coordinating Principal  
Music Director*

Best wishes for  
your success and  
happiness always!

## FOOTBALL REVIEW Dalton—7 Cedartown—20

Dalton—0 McMinn—6

On a rain-drenched field that made passing next to impossible, the Catamounts lost their first game of the season to the McMinn Cherokees. Although Jimmy Fraker made several good runs, Dalton was unable to score. Dexter Webb made the only score for the opponents on a pass interception.

After holding the lead for three quarters, the weary Catamounts finally fell to the more experienced Cedartown Bulldogs. This game brought honor to D.H.S. Freshman standout, Oscar Camp. Although playing for a losing cause, Camp performed brilliantly throughout the game. Fraker scored Dalton's only touchdown.

Dalton—0 Griffin—13

The Griffin Eagles invaded Harmon Field on a Friday night, September 18, and after a hard fought contest came out victorious over the Catamounts. Although out-manned and out-weighted, the Dalton players, sparked by Jack Posten's offensive play, never lost their spirit and determination. They were still giving all they had at the final whistle.

Dalton—12 Marietta—27

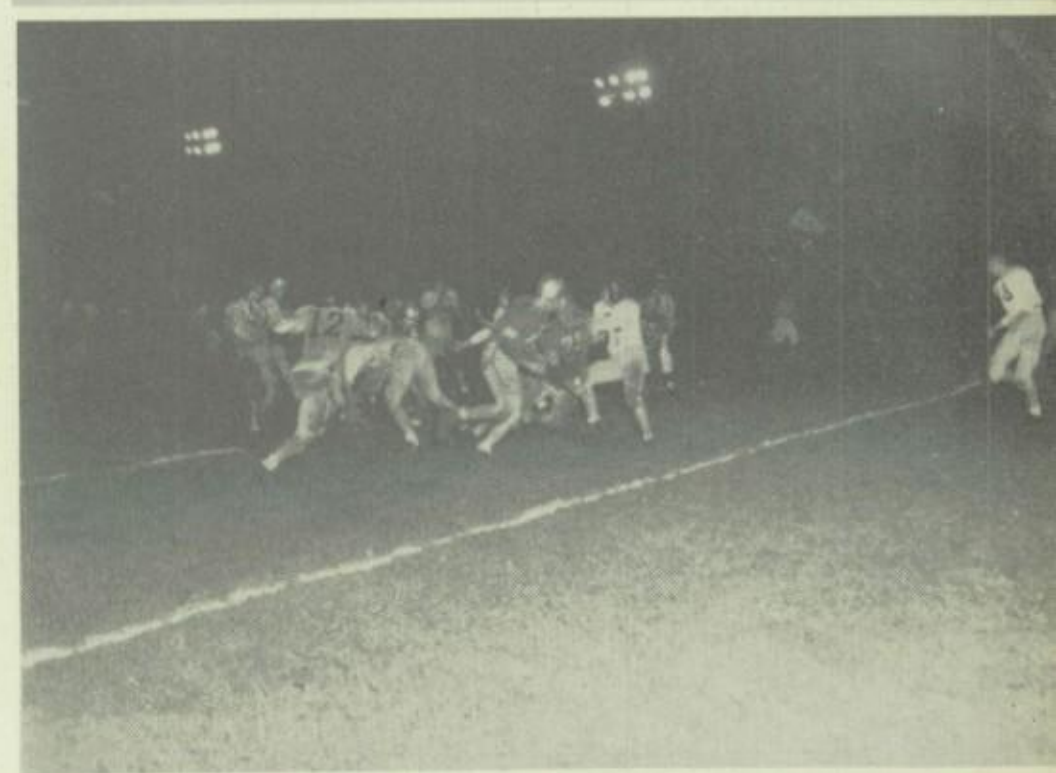

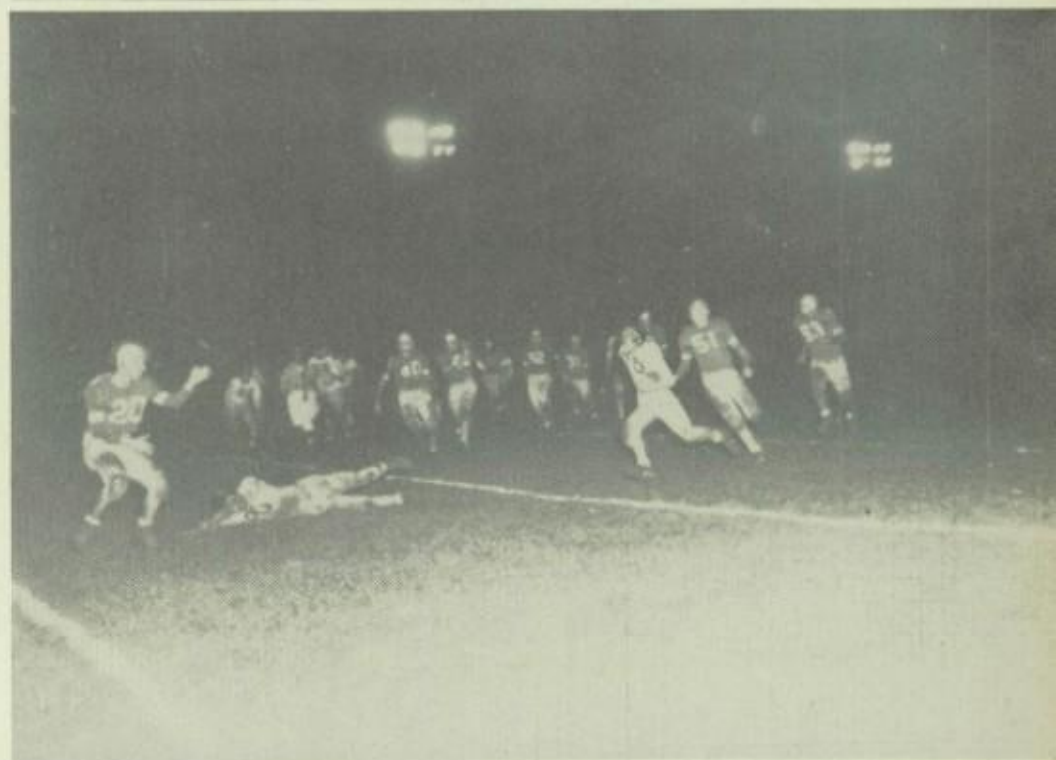

Dalton continued her losing streak by falling to the Marietta Blue Devils in a game that was Marietta all the way. Johnny Mitchell, a Catamount who displayed the Dalton spirit throughout the contest, was chosen "Player of the Night." His punting kept the score from being even larger than the 27-12 defeat.

Dalton—7 Rossville—7

After a week's rest, the Catamounts put their new offensive attack to work by tying the powerful Rossville Bulldogs 7-7. Going into the game a two touchdown underdog, the Cats revived their old Dalton spirit to hold the Bulldogs. Led by Sammy Nix, the Cats played the game that upset all the Region standings.

Dalton—13 Rome—0

It was a happy squad of Catamounts who returned from Rome on Friday, October 16, for they carried with them their first victory of the season over their bitter rival, the Rome Hilltoppers. Neil Houston scored both of the Catamount touchdowns, and Grady Weems' placement made the final score 13-0.

Dalton—27 Murray Co.—14

Capitalizing on Murray County fumbles, the Catamounts took their second win of the season on October 23 from the Indians. Cook, Nix, Pankey, and Fraker scored for Dalton with Grady Weems completing three out of four points after.

Dalton—12 Russell—0

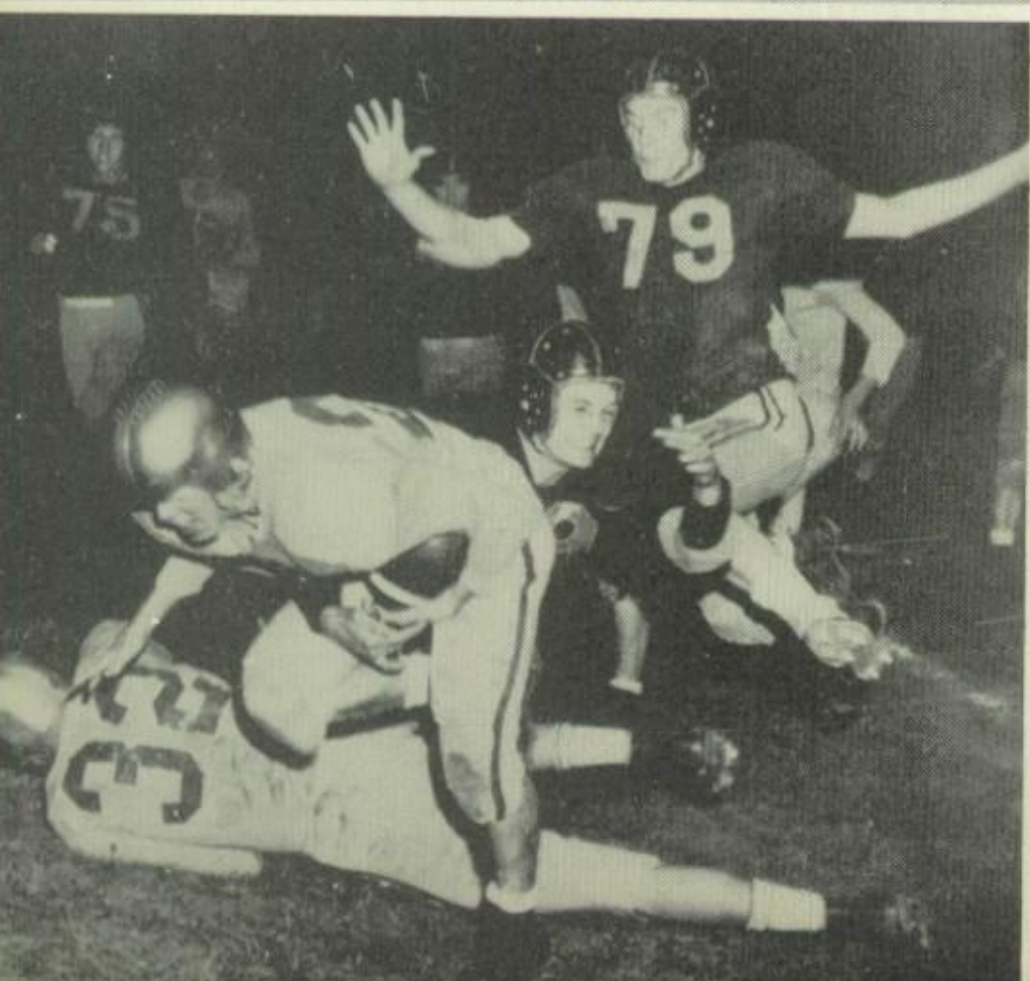

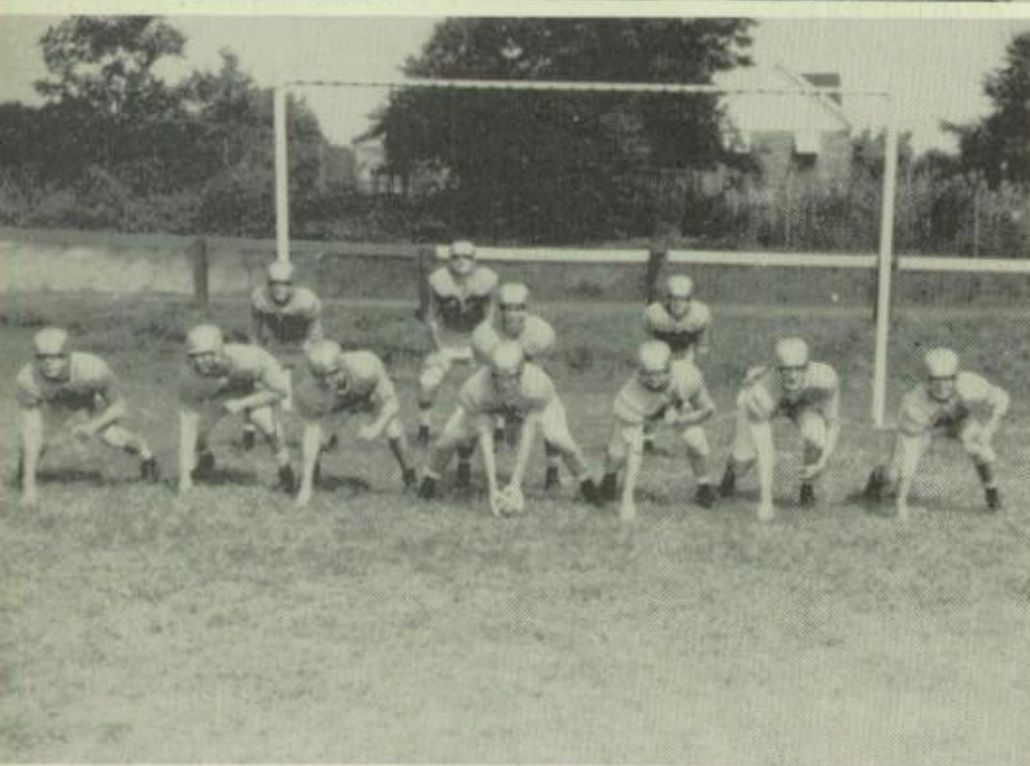

At East Point the Cats met a tough bunch of Russell Wildcats, but Freddie Pankey and Oscar Camp pushed over for the two touchdowns that gave Dalton her second Region victory.

Dalton—12 Decatur—25

Before a Homecoming crowd, the Decatur Bulldogs defeated the Dalton Catamounts by a score of 25-12 in Dalton's last home game of the season. Decatur piled up 19 points before Fraker crashed over the line to score seconds before the first half ended. Nix made the only other Cat score. "Pony" Bramlett was a defensive standout.

Dalton—13 City High—30

The hard fighting Catamounts lost their final game to powerful City High of Chattanooga. The game was a close one until the second half when Shackley and Duchene broke through the D.H.S. line for several scores. Green made several good runs for the Catamounts.

YEARBOOK

DALLAS • TEXAS

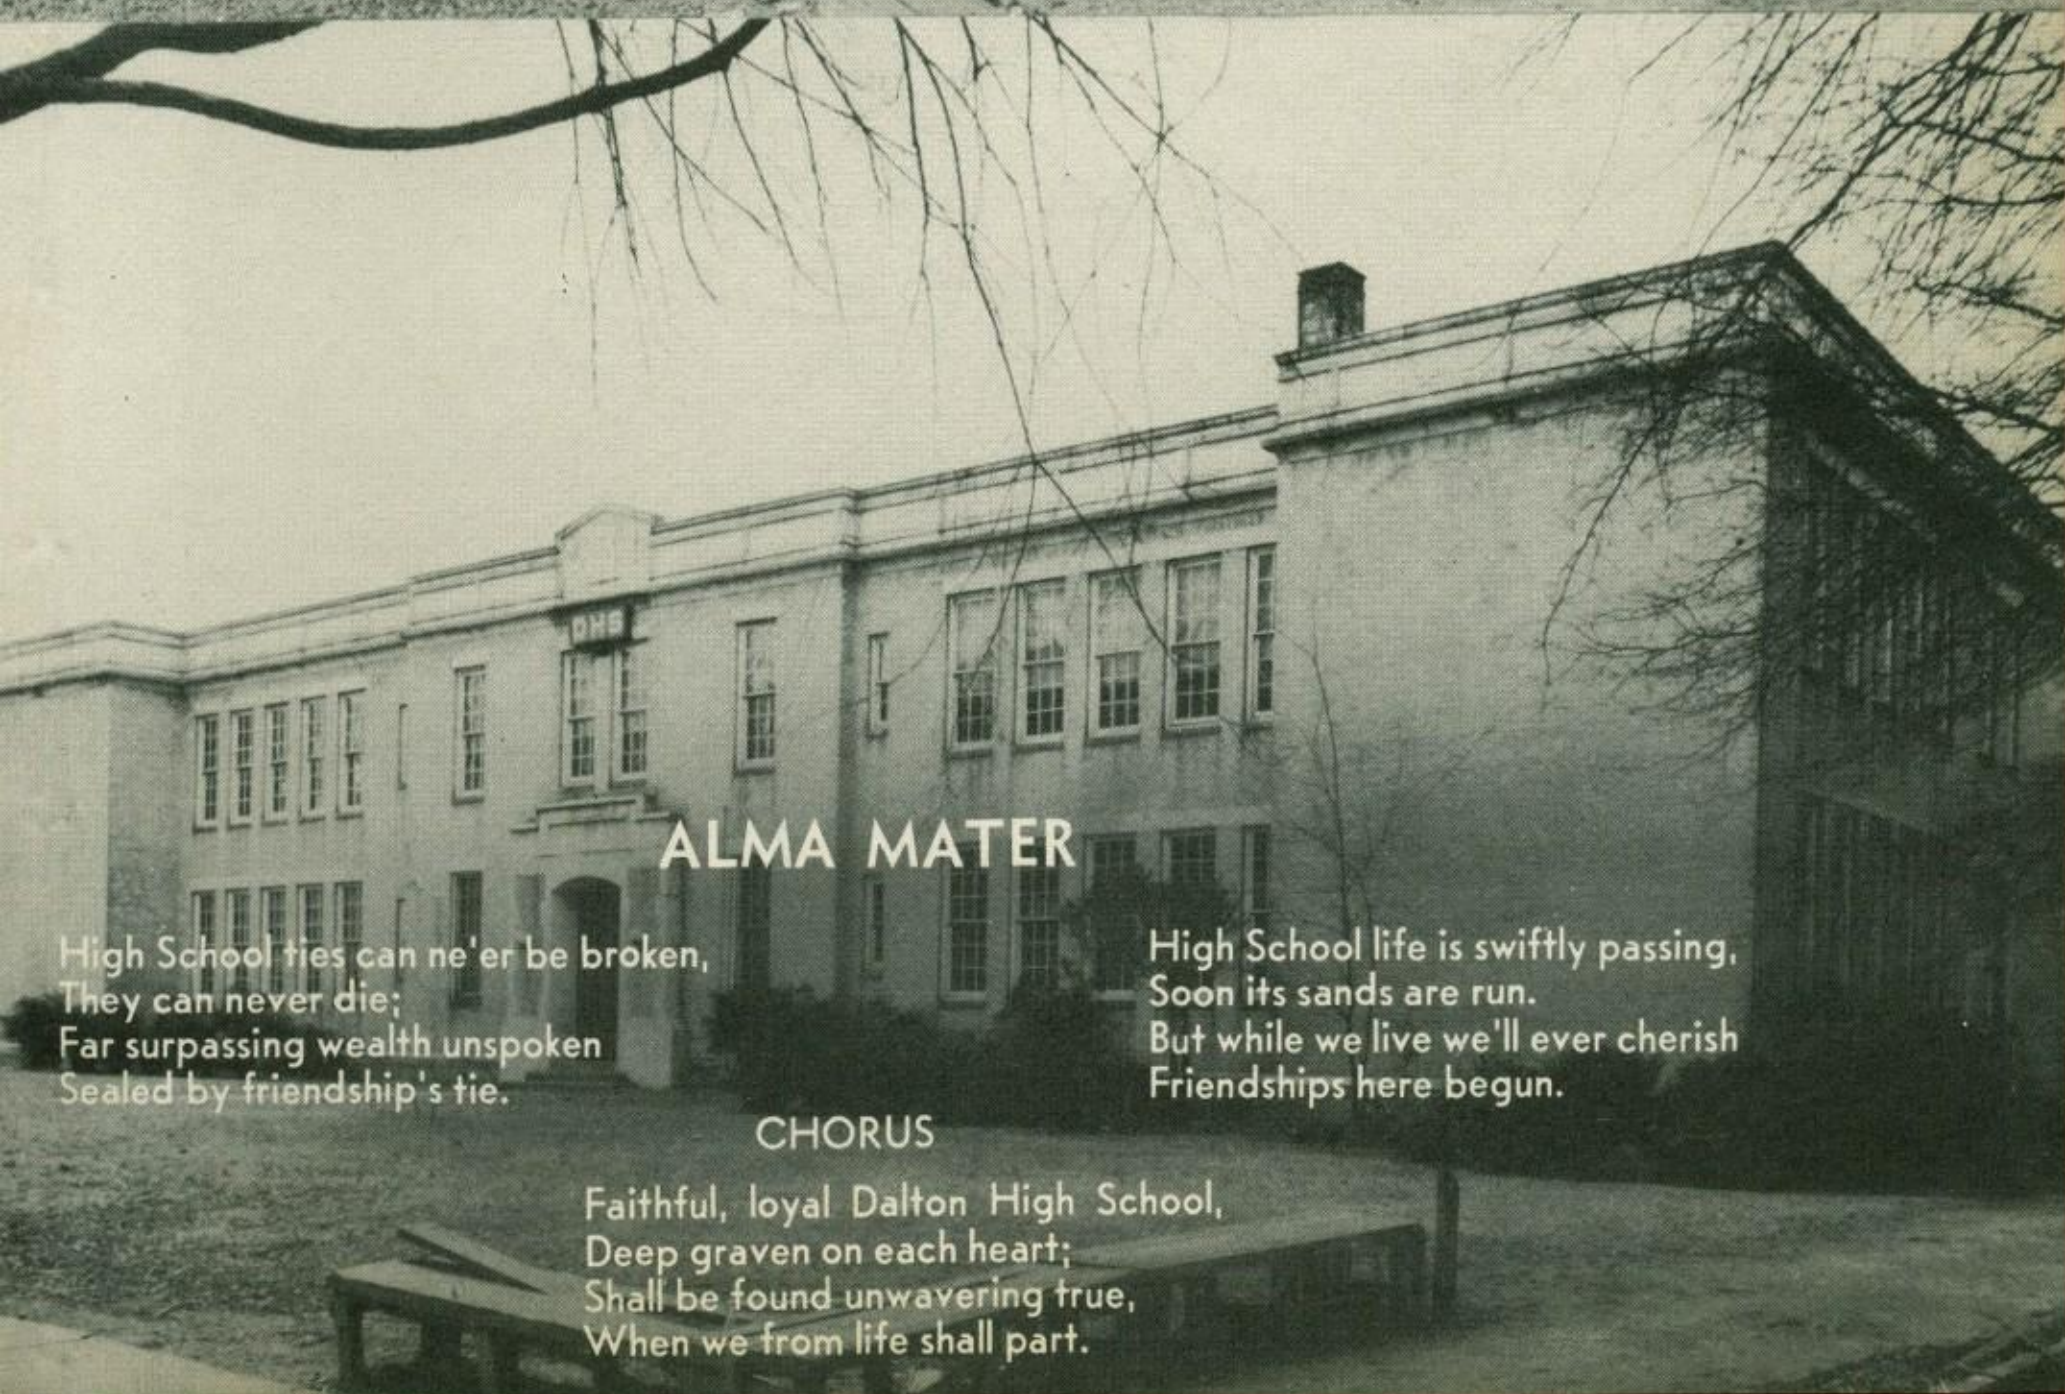

## ALMA MATER

High School ties can ne'er be broken,  
They can never die;  
Far surpassing wealth unspoken  
Sealed by friendship's tie.

High School life is swiftly passing,  
Soon its sands are run.  
But while we live we'll ever cherish  
Friendships here begun.

### CHORUS

Faithful, loyal Dalton High School,  
Deep graven on each heart;  
Shall be found unwavering true,  
When we from life shall part.
